McCormick Place Convention Center Accessibility
https://www.mccormickplace.com/attendees/ada/

**Visibility**
- Clear signage (identifying location and directions) in all areas.
- Text on signage is large and high contrast.
- Well-lit meeting space and adjacent areas
- All reachable signage is provided in Braille
  All McCormick Place public signs incorporate raised lettering and Braille.

**Mobility**

**Parking**
- Accessible parking is available in Lot A (entrances on Martin Luther King Drive and Cermak Road), and at the Hyatt Regency McCormick Place parking garage.
  - Lot A has entrances into the West building.
  - Convenient ramp and/or elevator access to meeting space
- McCormick Place has four designated drop-off points for taxis and cars that provide ramped curbs and automatic entry doors.

**Meeting Space**
- Elevators are located near the main entrances in all McCormick Place buildings and near the main exhibit halls on all levels.
- All bathrooms are accessible and are conveniently located throughout the building.
- Barrier-free pathways/walkways
- All meeting rooms are accessible.
  - Doors that can be secured open.
  - Accessible seating areas in public/general spaces.
- Wide doorways and aisles to accommodate wheelchairs/scooters.

**Technology**
- Electrical outlets in public seating areas to accommodate assistive devices, laptops, etc.
- Electrical outlets are accessible for wheelchair/scooter charging.

**Service Animals** - Trained service animals are welcome at McCormick Place
- Service animals will have space to sit with their owners.
- Accessible toileting and watering facilities.
- Convenient elevator, ramp, and/or stair access to all meeting spaces.
**McCormick Place Animal Policy**

Trained/certified service animals are always welcome onsite. Comfort animals are not classified or recognized by the ADA as service animals. City of Chicago Animal Care and Control (CACC) office. Veterinary documentation must be presented to both entities and a fee will be collected by the CACC.

A temporary permit will be issued by CACC. The temporary permits should always remain with the animal/handler when they are onsite. CACC Animal Control Officers will request to see this documentation during their onsite visit. Visits/inspections are made to ensure that the animal is being cared for properly and have registered.

Please reference **McCormick Place Animal Disclaimer Form, City of Chicago Animal Exhibition Fact Sheet & City of Chicago Animal Exhibition Permit Application.**

The McCormick Place Loss Control Manager may be contacted at 312-791-7113, if any questions or clarifications are needed.
